It's the waters of Tampa Bay and the Gulf of Mexico that give *The Sunshine City* of the Pinellas Peninsula its wonderful climate and the best fishing, bathing and boating to be had in the South.

Nothing else in Florida like St. Petersburg's "Mole" and municipal pier, its great bath house and swimming pool, its elegant opera house, its extensive brick streets, 48 miles.

In no other place can be enjoyed so many charming excursions by motor, trolley, boat and rail. Yes, there's golf—a fine course!
